Contractual Post of System and Network Administrator

Essential Qualifications and Experience:

MCA/B.E./B.Tech / M.Sc. (Informatics) or equivalent in computer science or related discipline. At least one year of System and Network Administration experience in an organization for general domain system administration with user accounts management, network administration, security administration, web-server and database administration.

Desirable Qualifications:

Microsoft MCSA, Cisco CCNA, CISSP, and/or any other equivalent certifications

Duties:

Primary duties will include installation and maintenance of servers, desktop, security devices and other network components in a medium sized Windows Active Directory based domain, ensuring that the whole network works efficiently without any threat of viruses, security breaches or any other interruption to the network. Other duties may include developing scripts, system related project management, supervision of junior computer staff, backups of systems and other important data, and should be able to provide technical support for all computer related activities of the college.

Remuneration:

Rs. 35,000-40,000 per month (consolidated), depending upon qualifications and experience.

Duration of Appointment: Six months.
