Pariksha Pe Charcha is a movement - 'Exam Warriors' - led by Prime Minister Narendra Modi, to create a stress-free atmosphere for youngsters and bring together students, parents, teachers and the society to foster an environment where the unique individuality of each child is celebrated, encouraged and allowed to express itself.. Inspiring this movement is Prime Minister Narendra Modi's pathbreaking, bestselling book 'Exam Warriors'. Through this book, the Prime Minister outlined a refreshing approach to education; knowledge and holistic development of students are given prime importance. The Prime Minister urges everyone to put exams in the right perspective, rather than making it a life-and-death situation punctuated by undue stress and pressure. The module also has thought-provoking but enjoyable activities that help absorb concepts through practical means.

The 6th edition of the Pariksha pe Charcha is for the students of classes 9th and 12th. There is a list of themes, and students can submit their responses to any 1 of them.
